At the opening of the superior court by the state and testified to going to Addie Burns' house, where he carclock, May Burns was recalled to the witness stand and Attorney Goodart continued the cross-examination. here on Thursday morning at 10.28

houses women on the grounds that he had been stopped when he called May Burns "the young woman." Judge Wheeler informed him that he had mad been stopped when he called May in the veins and decompose, usually settling about the joints and muscles, causing the intense pain, swelling and stiffness of rheumatism.

The following simple home treatment will cure Rheumatism and is harmless and inexpensive, and so a simple that anythody can mix it to the country of the country long time was required to get a small amount of information.

New Haven Detective. Jeremiah Denehy, detective sergeant the New Haven police force, with which he has been connected twentywhich he has been connected twentyseven years, testified. On January 15,
1907, he received a complaint and made
inquiry and search. He inquired of a
Dewey family. Did not inquire at the
Lenox hotel. He first saw the complainant thereafter at her home on
March 26 or 27, 1907. She told him
that she had been assaulted at the
house of Annie Burns in New London,
about four days after she arrived there. about four days after she arrived there He made a record of the time of the

Harriett Thayer of Bradley street, lew London, testified she saw May turns at her house in March, 1907. Miss Grace White came with her. May Burns made a complaint of being assaulted. She remained there a week and went away with Grace White. James McNulty came to her house, but the girl did not go with him. She had never seen the girl before.

On cross-examination she said she had seen the Burns girl in New London in June, about boat race time. She came to her house about dinner time and had dinner there. Another girl Blanche Staples of New London was

Blanche Staples of New London was alled, and while being sworn proceeded to tip over a glass of ice water. She said she lived at Addle Burns' in 1907, whereupon the chair of one of the spectators collapsed.

Asked if checks were issued there at that time she said they were Miss. at that time, she said they were. Miss Burns was in charge. The checks were supposed to be money and cash-ed in at the end of the week. They were given to the housekeeper and

ashed by the madame, Miss Burns, when there.

Objections were coming thick and fast, and State's Attorney Hull suggested there be a perpetual objection entered, so he could get along, but the suggestion was not accepted. Attorney Stoddard expressed what he thought the court should do, but Judge Wheeler informed him that he

eed not address the court on its duty

There was considerable more questioning and objections about who took the money in the house.

Court adjourned at 4.30 for the day.
